# ST. SOPHIA CLASSICAL ACADEMY

Equipping students to live for the glory of God, and the benefit of others

Welcome to the 2024-2025 St. Sophia Visual Uniform Guide!

All pieces listed in the “required” section are **required** on certain days of the year including performances, field trips, etc. No other jackets, sweaters, hoodies, etc are allowed at St. Sophia other than at recess, outside. Some of the Lands’ End navy sweater items may be slightly different in appearance or texture from year to year, but it is always allowed to continue to wear older items.

**Boys-** We do not require shorts to be the Lands’ End brand, but any brand of similar color and appearance (gray, no cargo pockets, plain, uniform looking). Shorts are allowed August, September and May and any additional days the high temperature is forecast to be over 80 degrees. Please use your Lands’ End pants that you are required to purchase to inform your decision making on the shorts you purchase. Boys may continue to wear any dress shirt (non-polo) under their vests, the French Toast boys uniform shirts on Amazon are usually around \$8-10. Dress shirts are cooler (retain less heat) than polo shirts.

**Girls-** Girls Jr K-3rd wear jumpers. These girls wear white knit or dress shirts with a peter pan collar. From years of experience we have noted that the French Toast dress shirts fit better than the Lands End and the Lands End polos look much better than the French Toast. Jumpers tend to fit a little larger than other children's brands. Girls 4th-6th and up are required to own a short sleeve peter pan collar dress shirt which is required for all portraits and performances. These students may wear long sleeves, and other approved items at all other times. Girls in 7th grade and above wear traditional dress shirts.

**Shoes** for all children are to be all black, with only the sole allowed to be any other color (white/brown). They can be any style with the following exceptions. We do not allow: combat-style boots, any boots above the ankle, lights, glitter, patent leather, wheelies, or colorful branding. Socks must be plain, without branding. Girls wear navy Lands End knee socks or tights, boys wear crew socks in navy or black.

All of our uniform pieces are available through Lands’ End. You can look up St. Sophia by the search feature or through our preferred school code: **900196965**. Please reach out if you have any questions about uniforms!
